# IN LOVING MEMORY OF THE MAN WHO DEDICATED HIS LIFE TO US WE DEDICATE THIS BOOK

How can you judge a man's true worth  
During his short life-span on earth?  
One might say great wealth and land,  
But these will shift like grains of sand.  
I rather think it's one whose deeds  
Have sympathies with human needs.  
Mr. Rettig was such a man  
Who would perhaps give us this rule —  
"Not what can the school do for you,  
But what can you do for the school?"

He taught us, too, to play the game  
In fairness and with courage high  
To strive to win, but then  
If we were beaten, smile not cry.  
Good qualities we may possess  
That lay unnoticed on the shelf  
Without this one great factor,  
A true belief in one's own self.

His guiding hand still can be felt  
And will, unmeasured, through the years  
His boundless spirit whispers still  
"Give me your smiles and not your tears."

Sharon Chilcote

# MR. RETTIG'S SOJOURN THROUGH WOODWARD

MR. RETTIG was popular with all of those under him, from assistant principals down to students.

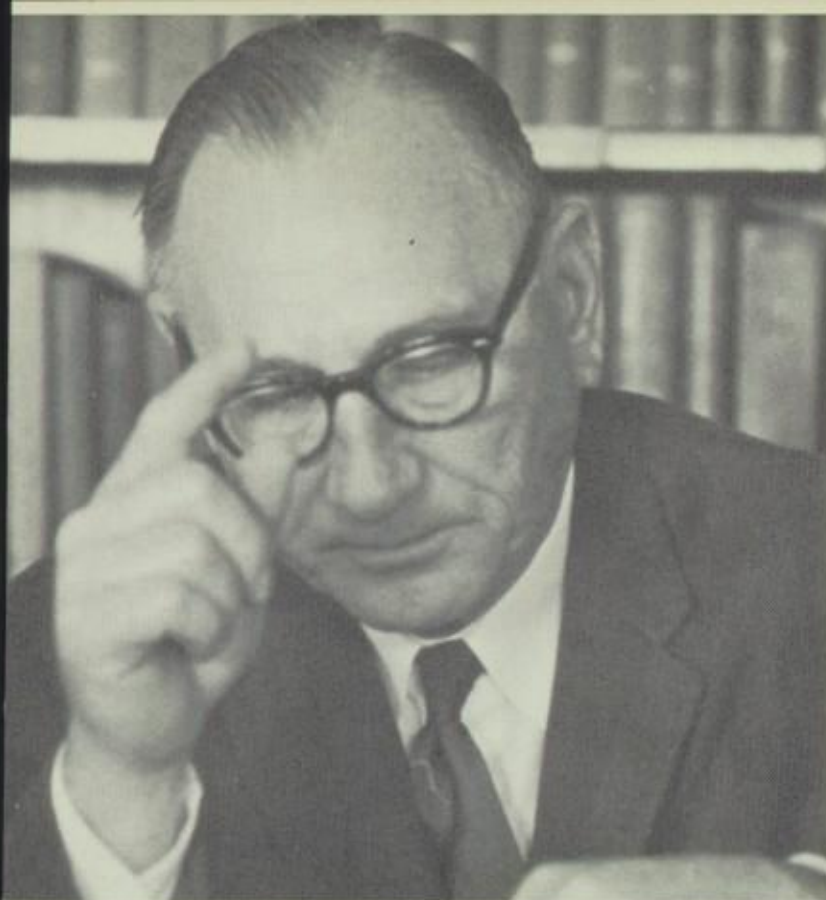

*Kathi,  
Have a swell  
summer. Hope  
you get a million  
very funny - and  
don't get married.  
Love  
Diane Attie*

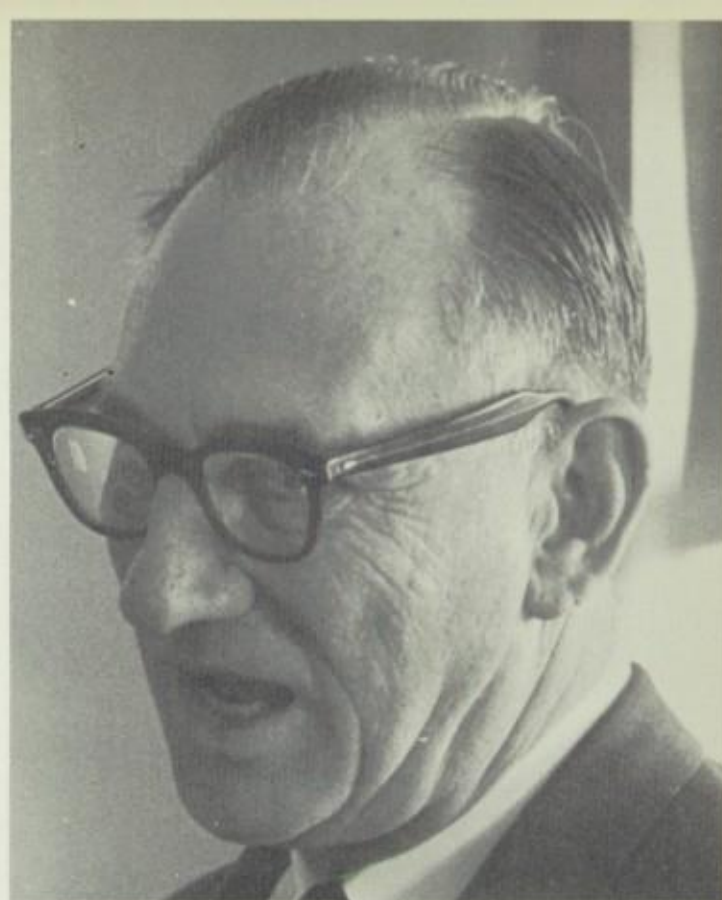

MR. RETTIG'S PRESENCE enhanced almost every school event, athletic and academic. Here he is seen at the annual Roman banquet given by the Latin students of Woodward.

PROMINENT in education, Mr. Rettig was one of the founders of the Area Student Council.

THE BOOMING VOICE of a leader, expressing the thought for the day, will never be forgotten.

Faced with the stark reality of the loss of Mr. Rettig, but guided by his fine example and sustained by his belief in us, we began 1963 with a firm resolution to carry on as though "Mr. Woodward" were here and to make him proud of us. This type of thinking is an indication of what Mr. Rettig has done for us. As our greatest booster, he has inspired every student to do his best—in athletic contests, scholastic competition, and everyday citizenship. He made us believe in ourselves, for him we could do anything — the mark of a great leader. His easy, friendly manner; his great booming voice; his true democratic spirit; and his genuine affection for all of us will be remembered always. This list of qualities makes Mr. Rettig sound like a legendary hero, but he was all that and more — a real giant among men. He taught us to win and to lose gracefully. He taught us courage, dedication to a task, humility and honesty. The image of this beloved man will be with us always, shaping our characters and guiding us in our lives.

*Lives of great men all remind us  
We can make our lives sublime  
And, departing, leave behind us  
Footprints on the sands of time.*

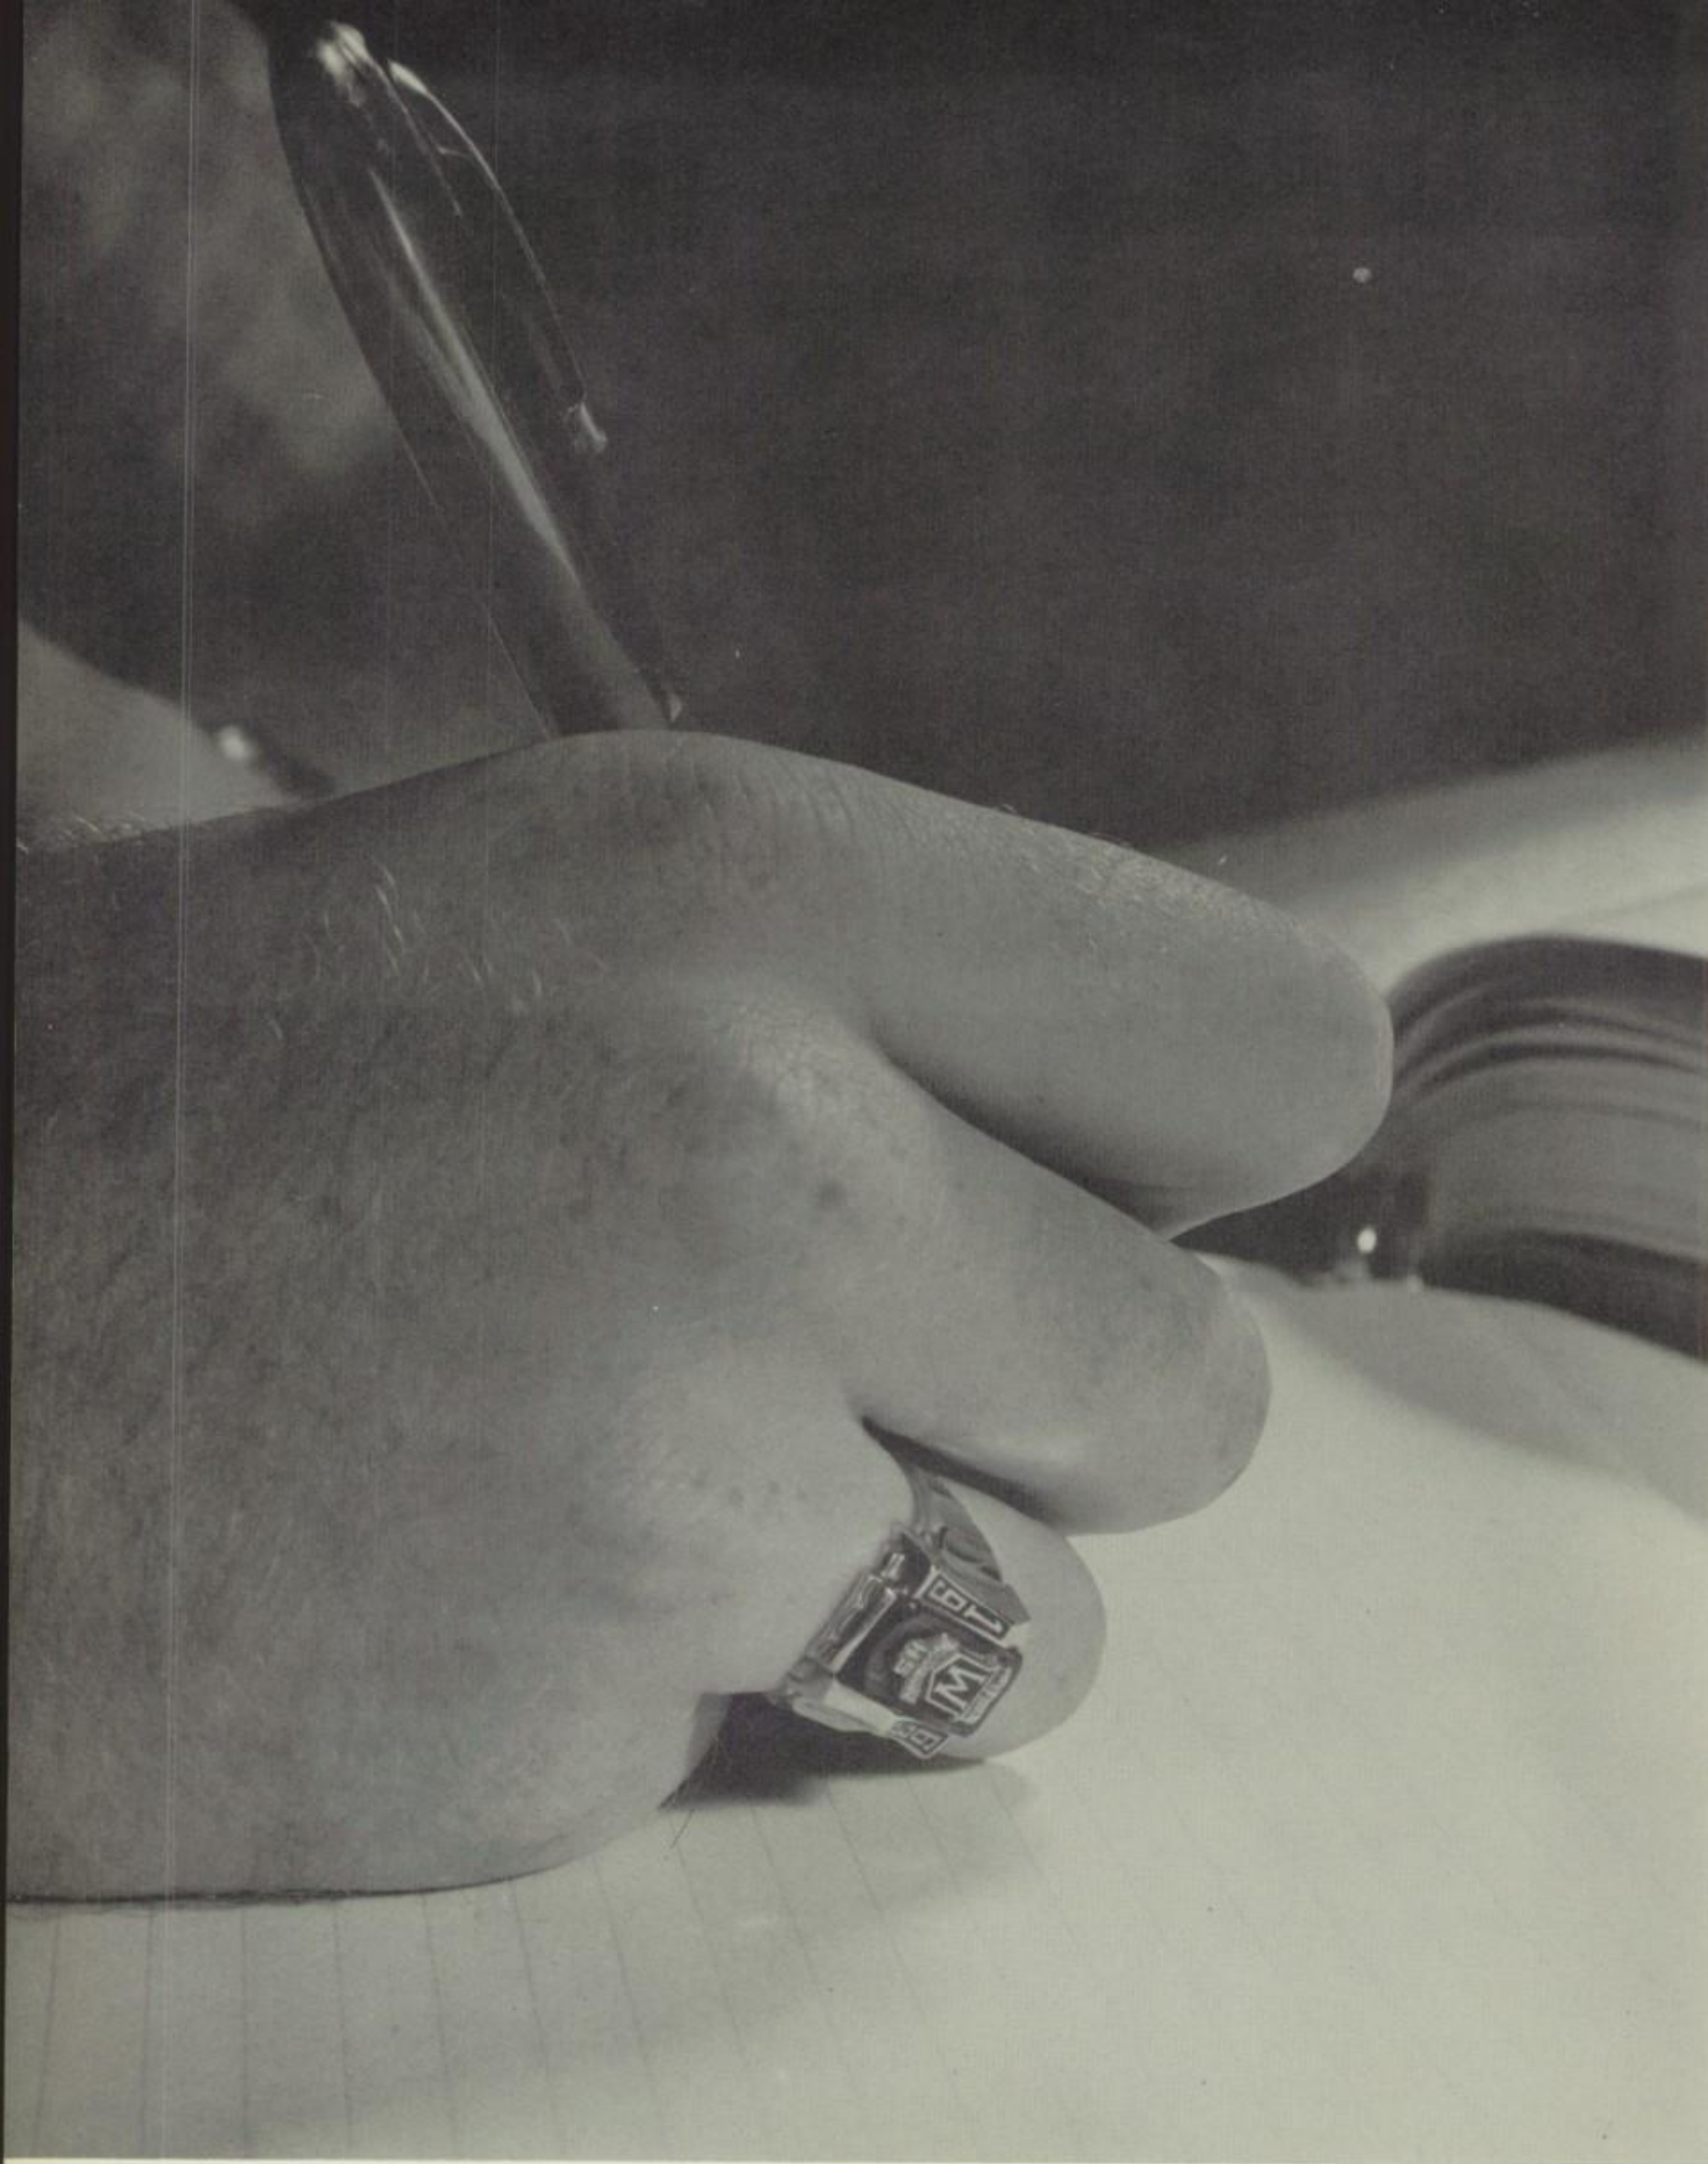

*Longfellow*

AS THE TATTLER so fittingly put it, "For those fortunate to have known him, nothing can now be said. He has left us, and we are stronger for having known him. His influence has not died. His leadership will not be forgotten. His encouragement will remain in our hearts. He was indeed, good for Woodward."

## FOREWORD

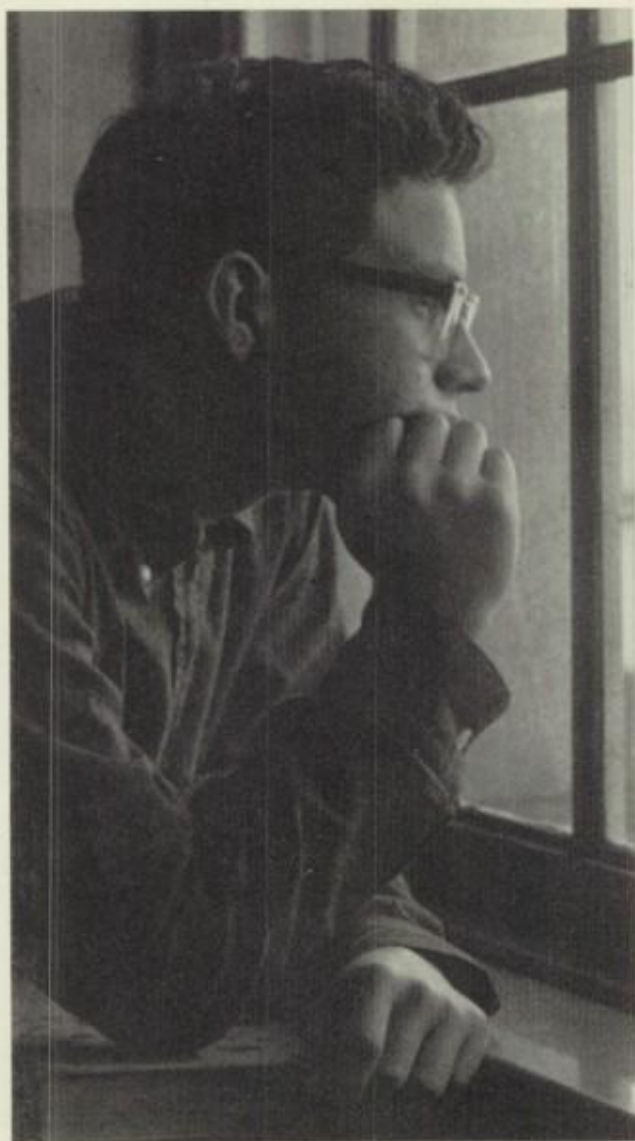

Hands play an important role in the lives of us all. They are not only useful but also representative of moods, personal qualities, and activities.

Hands are a symbol of guidance. When a person sees a firmly outstretched hand, he is just naturally led by it. This sort of hand reminds us of Mr. Rettig. By this symbolic representation, may seniors always remember his fine quality of leadership and strive to meet his example. May underclassmen in the years following listen to and be respectful of their new leader, Mr. Sloan, who also is fortunate enough to be blessed with a firm hand of leadership.

In this 1963 Saga, we try to show some of the moods and impressions which hands create. Throughout the book, hands are used as symbols to depict various phases of school life and activities at Woodward. To all the students of Calvin M. Woodward, may this Saga continue to bring back memories of your 1962 to 1963 high school year.

# FACULTY

# OUR NEW PRINCIPAL

Although greatly saddened by the loss of Mr. Rettig, all of us at Woodward were grateful and appreciative of the fact that someone as capable and experienced as Mr. Virgil Sloan was prepared to maintain the high standards and enthusiastic spirit of Calvin M. Woodward High School. Mr. Sloan came to Woodward in the fall of 1947 and taught World History and American History. As his experience increased, Mr. Sloan excelled and attained the positions of dean of boys and assistant principal of administration. This latter position, in addition to the fact that he holds a Bachelor of Arts and a Master's degree from Defiance College and Ohio State University, has qualified and enabled Mr. Sloan to acquire his present job as principal of Woodward High School.

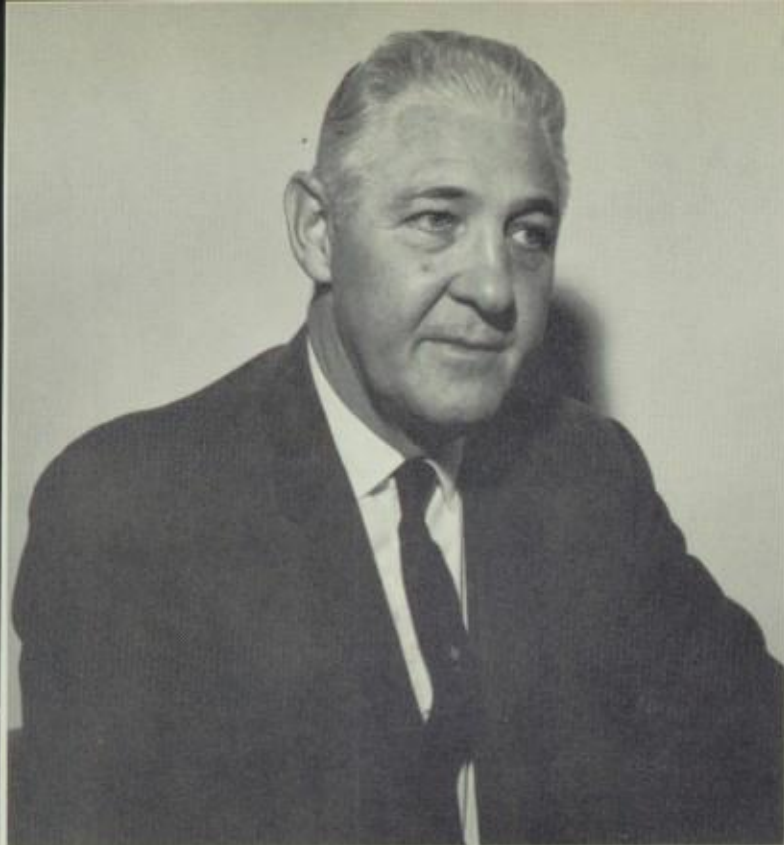

## MR. SLOAN'S MESSAGE

Woodward High is a school of great traditions.

Seniors, you have done much to add to these traditions. May I wish you the greatest success in your life endeavors. We hope you will call on us if we can be of help to you.

To the rest of you at Woodward, I hope that you will resolve anew to make the most of the opportunities afforded you to improve yourselves to the limits of your abilities.

## SOPHOMORE ADVISERS

From left to right: Mr. Horvath, Miss Netter, Mr. Knierim.

Freshmen take their place in school life.

Last September you entered Woodward as a freshman, bewildered and shy. If you were like the rest of us, it took you the first month to find where all your classes were. You are no longer just a freshman; you are now a part of Woodward. In the next three years you will become more a part of Woodward. You will make new friends; your interests will widen; your activities will increase. If you take advantage of all the opportunities Woodward has to offer, you will leave school a better and more mature person. But remember that you get as much out of school as you put in. Whatever you do, do to the best of your ability. Do your best to improve Woodward and to uphold its fine traditions. *You* are Woodward; be proud of it.

Student Council President

Love That  
Girl

Ratay  
Well kid here we are and if last year  
at this time somebody had told me that they  
would be like this I would have told them they  
were crazy. But here we are on top. This has been of  
great use for me and I owe a lot to you for it.  
You a great kid and I don't know what I would  
have done without you. I'll always be your friend  
with a lending ear. I'll always be your friend  
with no matter what. Don't forget all our  
plans

"Let's get 'em, boys!"

#### WOODWARD-40 CLAY-8

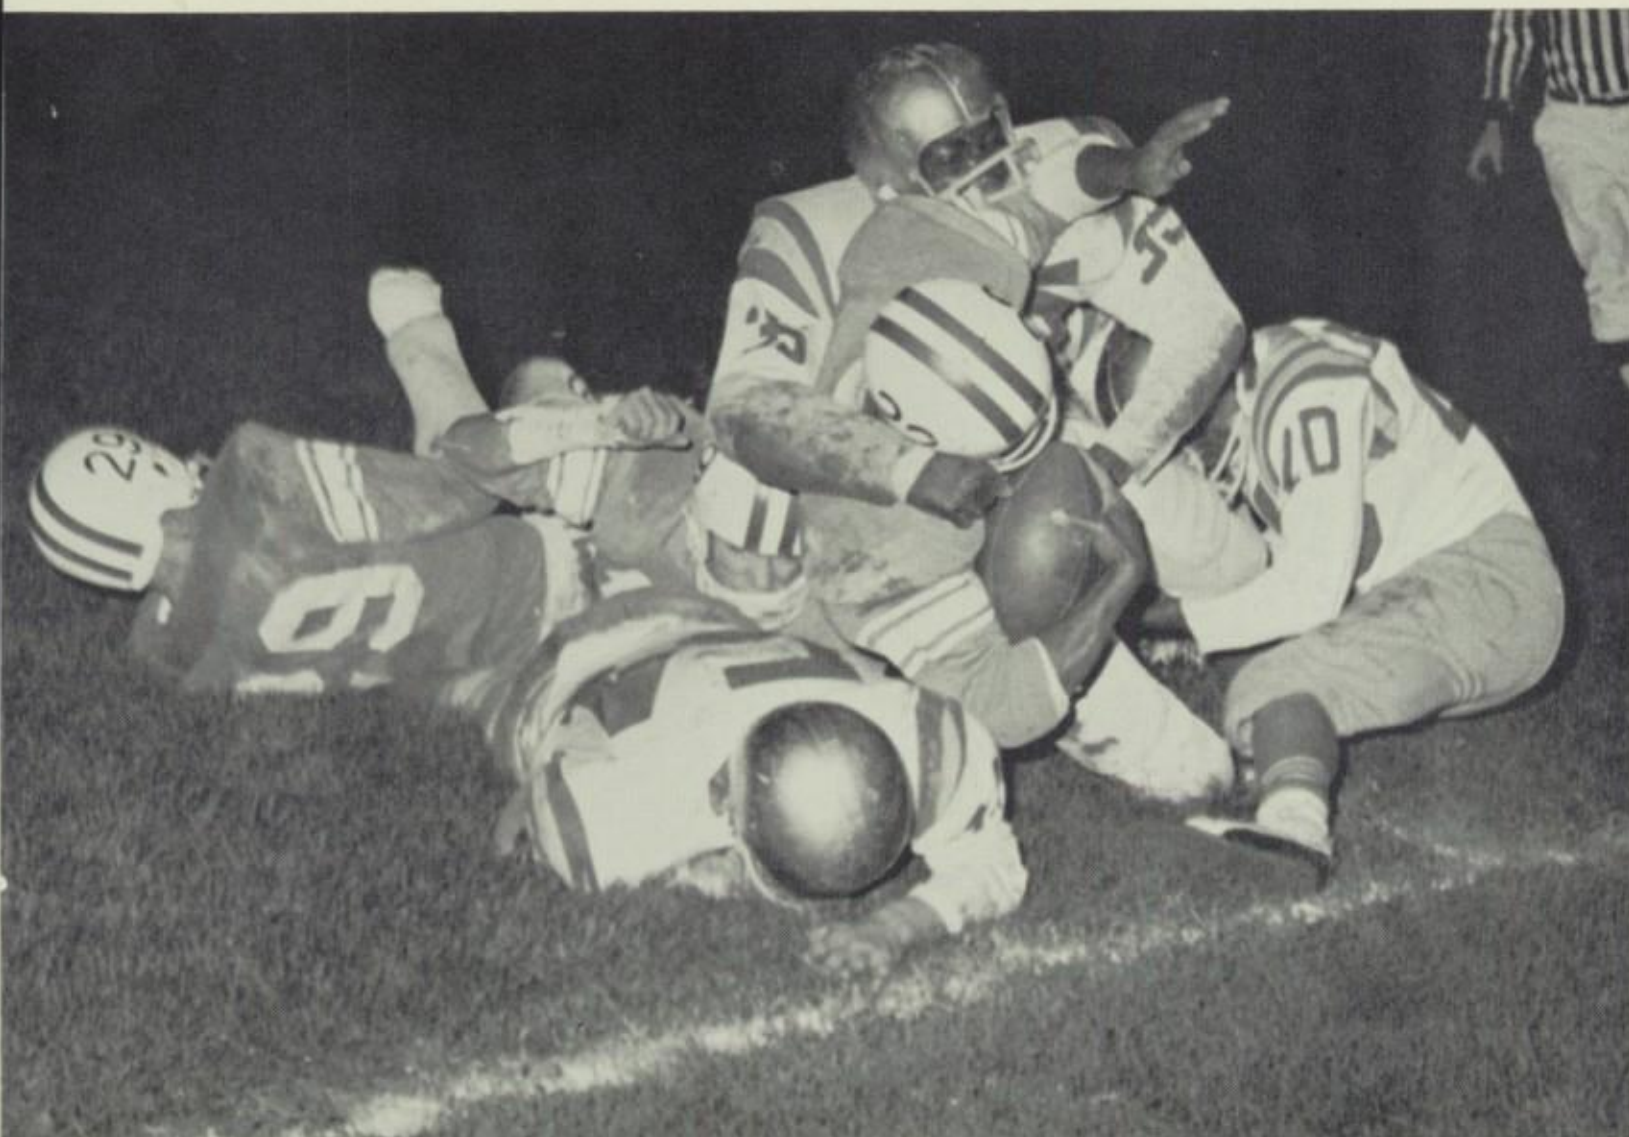

Opening the 1962 season, the Polar Bears completely overwhelmed a determined team from Clay High School. The Bears controlled the game from the opening kickoff and easily won their first game. Highlight of the game was senior back, Dave Bishop, who scored three times in the Woodward victory.

#### WOODWARD-32 MACOMBER-8

Finding themselves with a slim 12-8 lead late in the third period, Coach Mezarous's team fired-up and turned a close game into a rout. With Willie Mitchell leading the way, the Bears scored three times in the final quarter to hand Macomber a 32-8 licking.

Mitchell gains short yardage against Libbey.

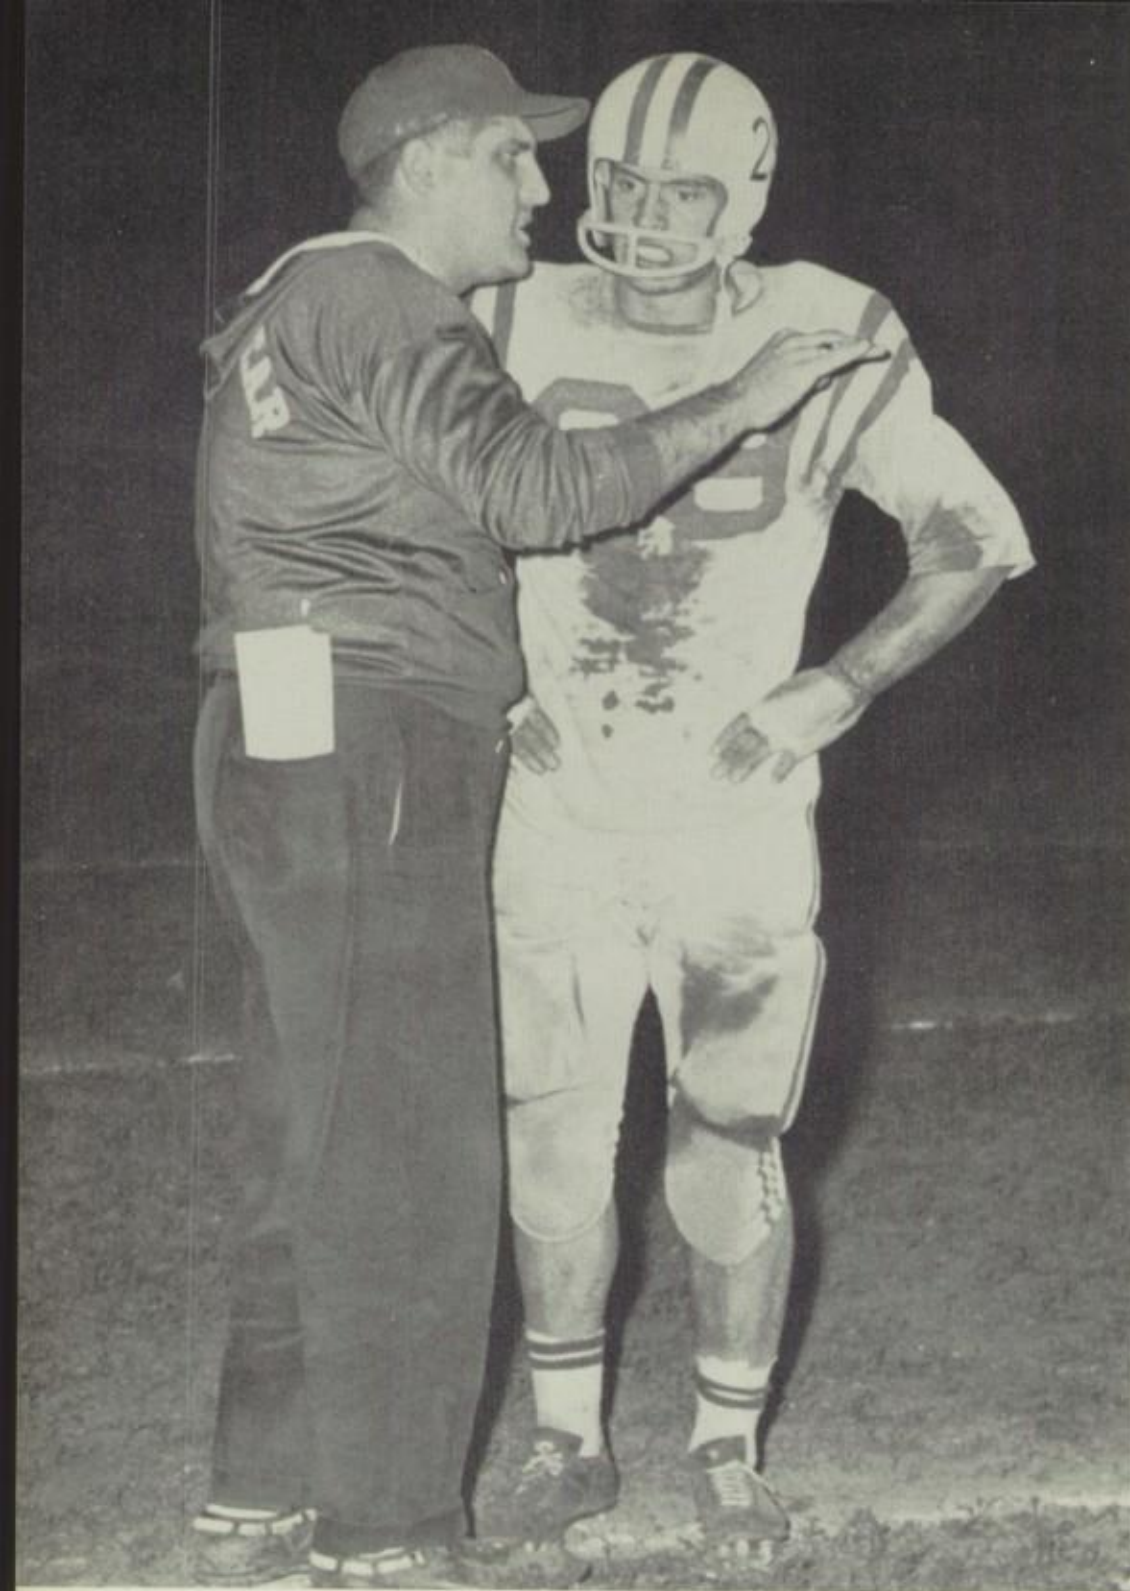

# WOODWARD-13 LIBBEY-6

In what proved to be a close and exciting game, the Polar Bears took on the Cowboys of Libbey. Leading by the scant margin of 7-6 at the half, the Bears came back to play a terrific defensive game and to win their third game of the season by a 13-6 score.

Johnston helps to stop a Scott back.

Jerry Jewson gets some timely advice.

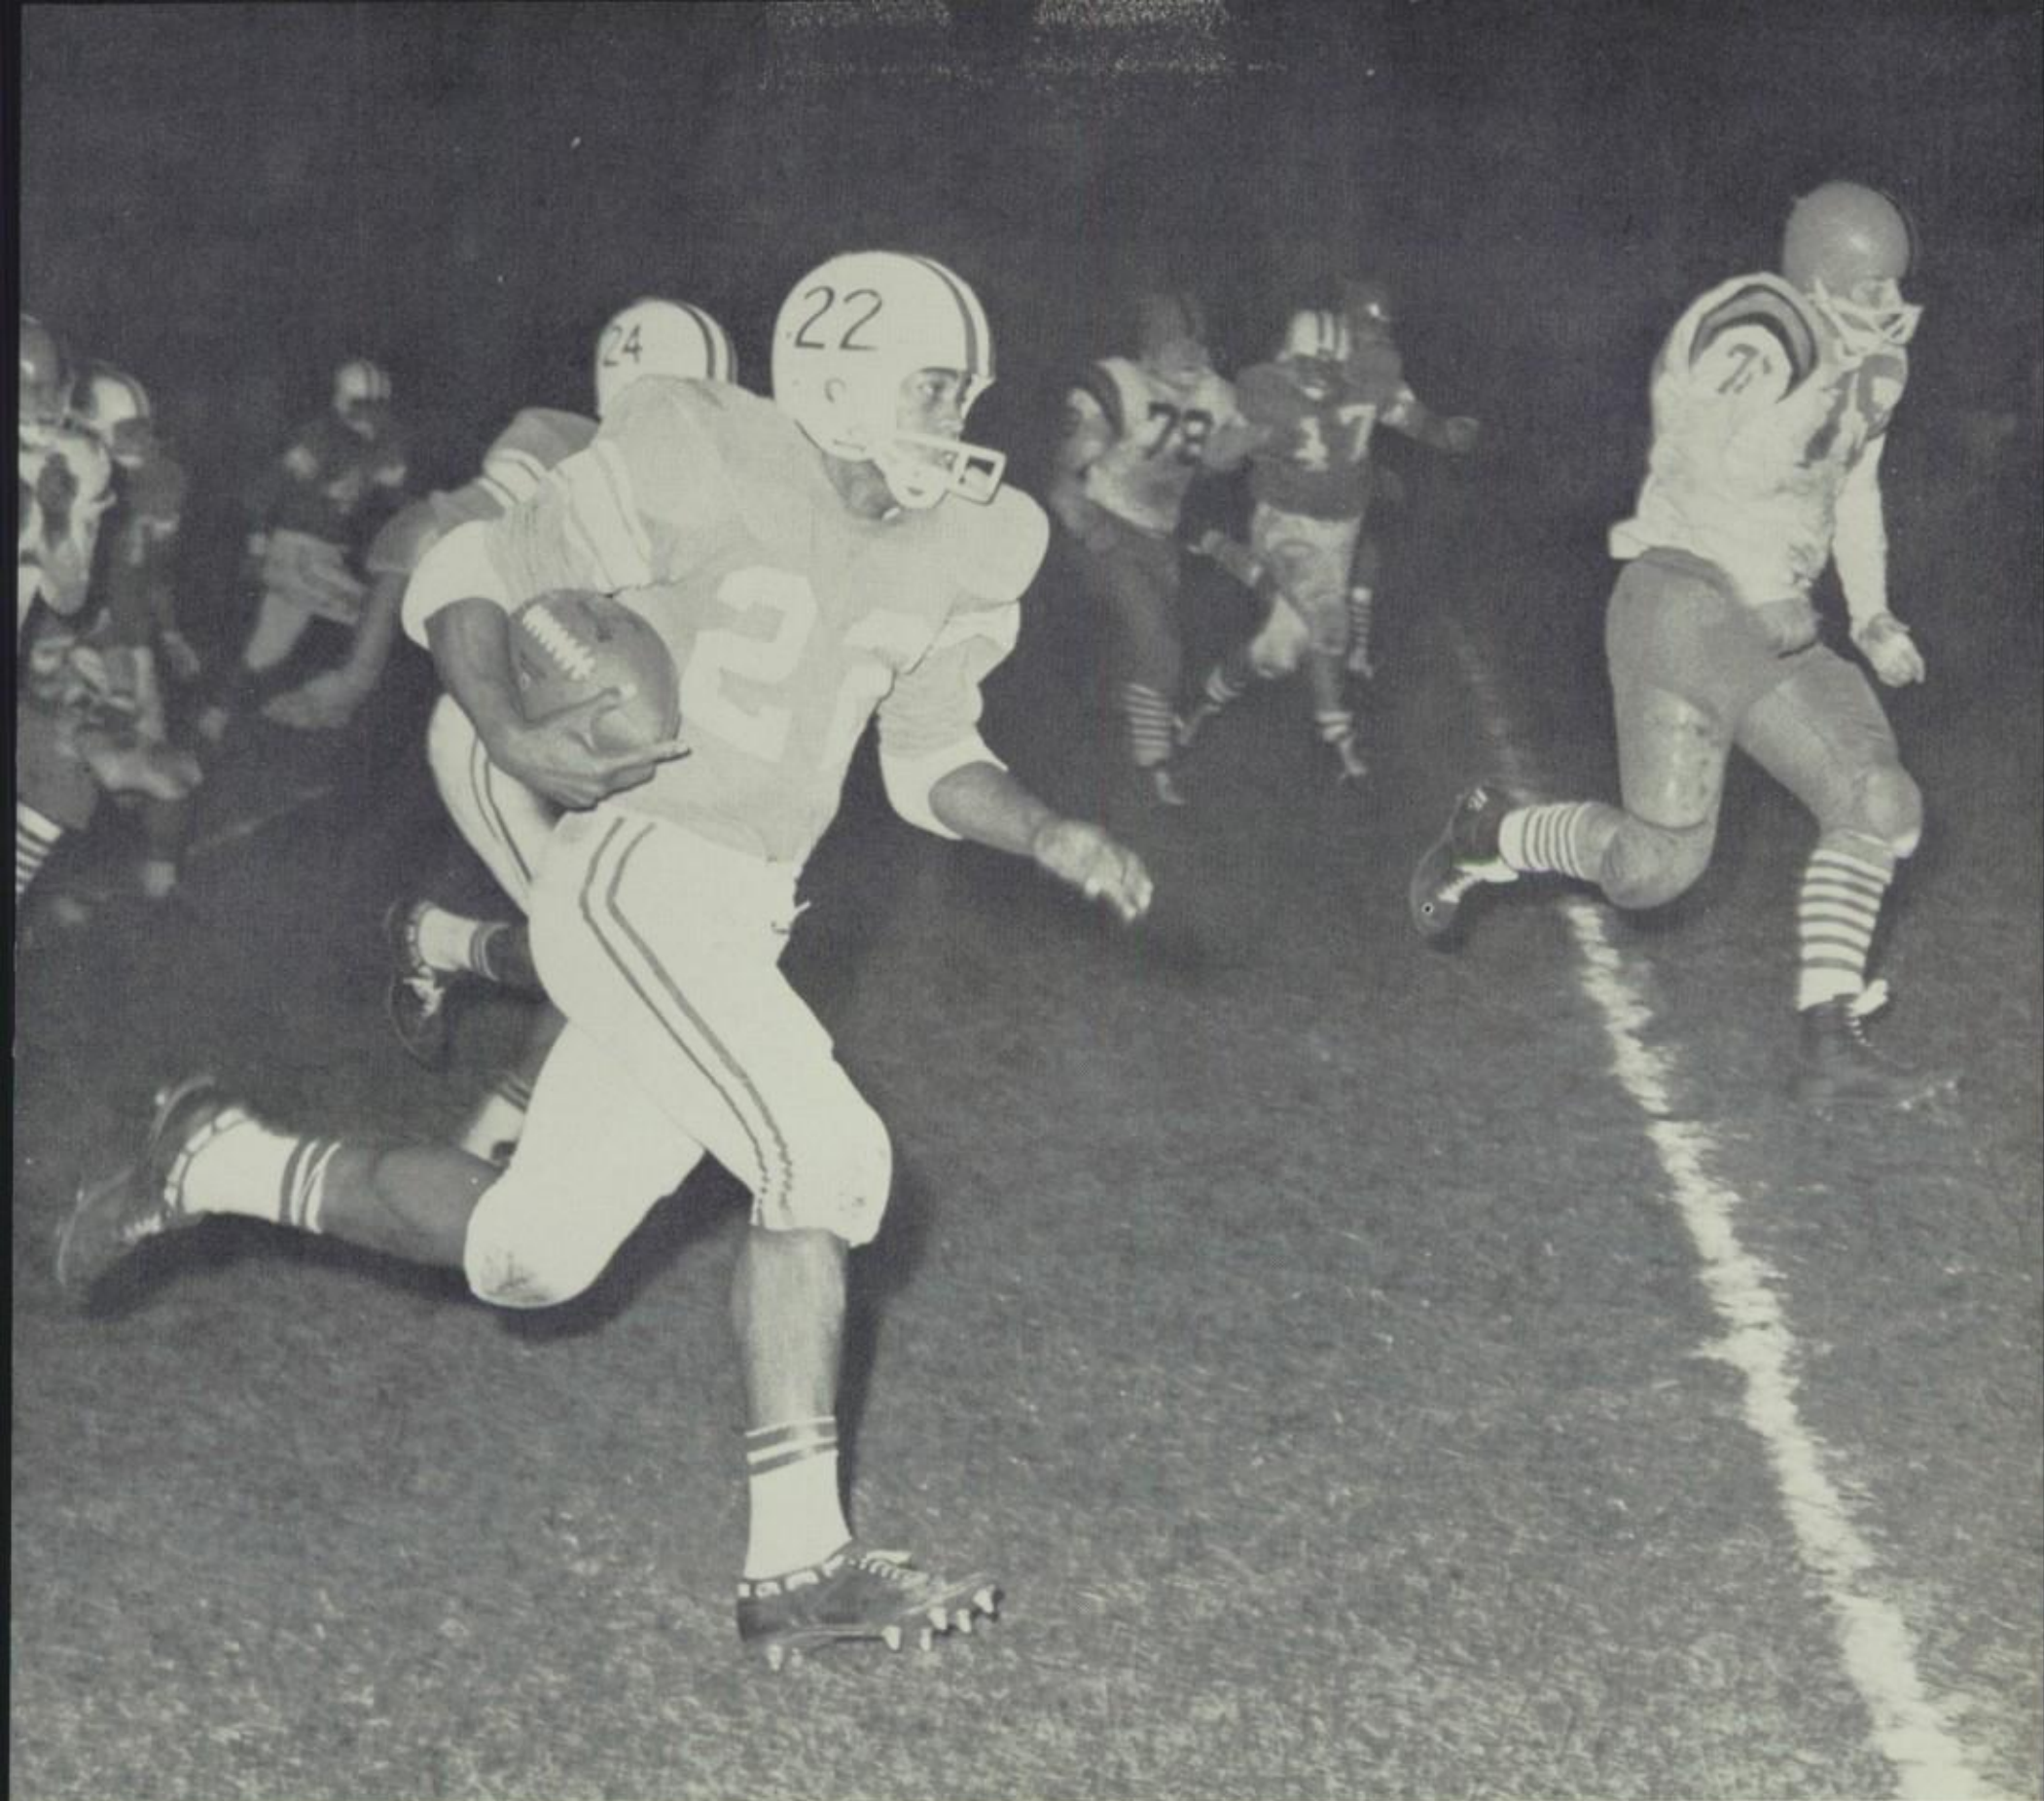

# WOODWARD-21 ST. FRANCIS-6

Returning at the beginning of the second half, the Bears found themselves trailing the Knights from St. Francis, 6-0. However, starting off the second half with a 40-yard pass play which ended by senior end, Ernie Hollowell, making a diving catch in the end zone, the Bears overcame their deficit and went on to win, 21-6.

Johnston dodges St. Francis player.

Willie Mitchell breaks loose against DeVilbiss.

#### WOODWARD-15    DEVILBISS-24

The Polar Bears, leading 15-8 at the half, could not hold on as the DeVilbiss Tigers came on to score twice in the second half to hand the Woodward Polar Bears their first loss of the season.

#### WOODWARD-0    SCOTT-6

Fighting to a 0-0 deadlock until the third quarter, the Bears and the Bulldogs of Scott played an entirely defensive game. But in the third period Scott turned a Woodward fumble into a tally to nip the Polar Bears, 6-0.

Mathias jars ball loose from Macomber back.

WOODWARD-0    CENTRAL-37

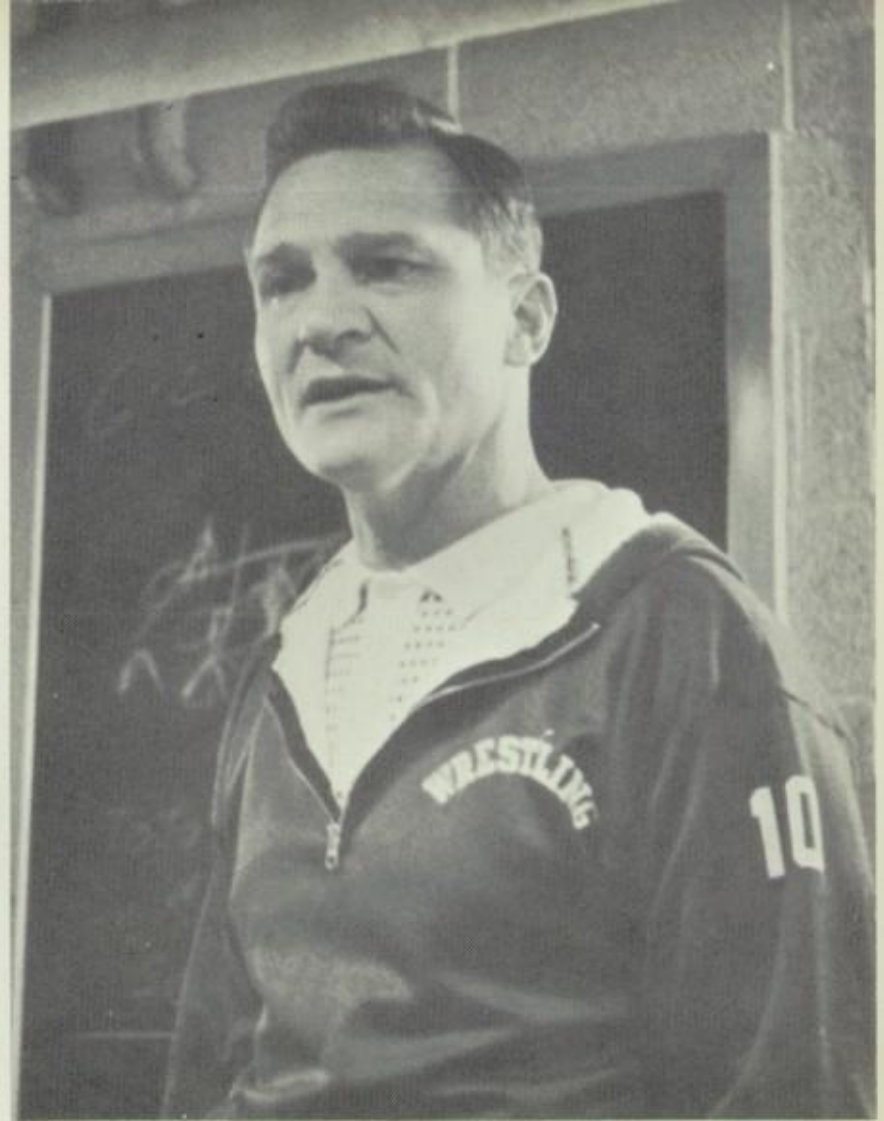

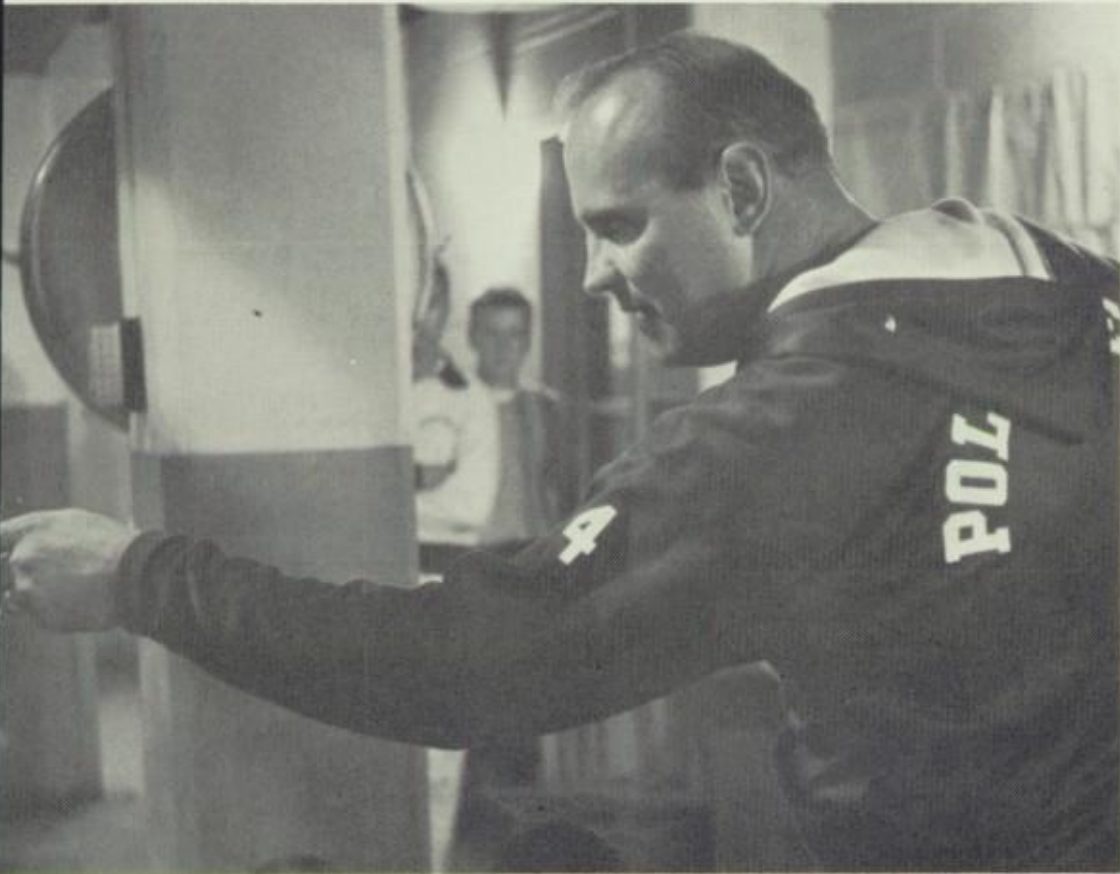

Hampered by injuries, the Bears couldn't get going against a well balanced team from Central. After giving up thirty points in the first two periods of play, the Bears did somewhat better the second half by allowing Central to score only seven points. The only bright spot of the night for Woodward fans was the crowning of Ruth Hessman as Homecoming Queen.

Bishop fights for yardage in Rogers' game.

# WHAT'S UP DURING

# HALFTIME?

A fired-up Woodward team ran out on the Rogers' field looking for its first win in four games. Behind the hard rushing of senior backs, Willie Mitchell, Jim Chamblee, and Dave Bishop, the Polar Bears easily won over a highly-rated team from Rogers by a score of 24-6.

Playing in a driving rain which produced a sea of mud, the Bears closed out their 1962 season. With each team unable to move the ball on the water-clogged field, the game went on in a scoreless tie. However, with three minutes remaining in the game, the Waite Indians started their offense and came on to score the only tally of the game and to give the Polar Bears a final record of 5-4.

# ACTIVITIES

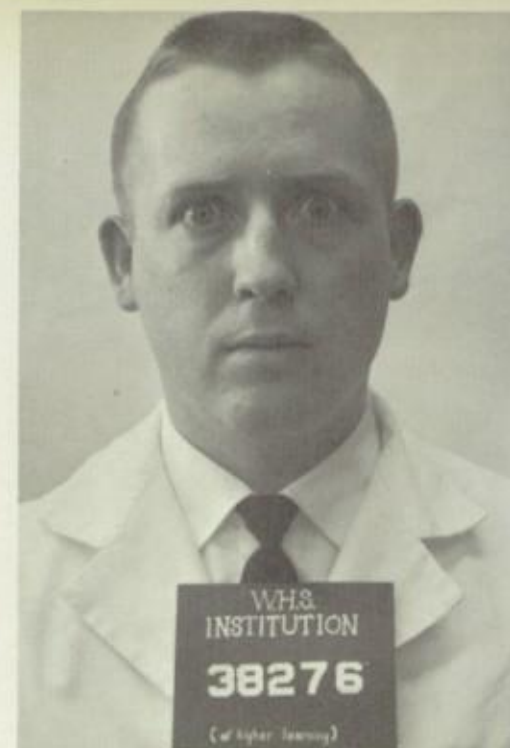

MR. ROBIE—ADVISOR

Leo, alias "The Lion," Robie; the brains of the operation. Is known to have dealings with yearbook companies. Could be dangerous.

MRS. WILLIAMSON—COPY ADVISOR

Marie, "The Moll," Williamson; advises gang in copy writing and forgery problems. Approach with extreme caution.

MR. DUVENDACK—  
PHOTOGRAPHIC ADVISOR

Daniel, "Dapper Dan" Duvendack; master photographer. Frequents dark rooms; is a habitual user of film.

The ringleader and Editor-in-Chief, Karen Kosuth.

## WANTED..

These girls may look pensive, but they're really planning their next job. Carol Foster, Business Manager; Judy Deeth, Club Editor; and Sylvia Branam, Assistant Business Manager. Absent is Cheryl Kujawa.

Covering bets and shaving points are favorite activities of our Sports Editor, Dave "Bomba" Bobak, and his assistant, Bill Lasko.

"I thought you put the film in!" Lex Youngman, Activities Editor and Photographer, and his assistant, "Jumpin'" Jim Hinkelman. These two characters are responsible for numerous shootings (pictures, that is) throughout the Saga.

Kathy Haas, Faculty Editor, and her assistant, Janet Degg; otherwise known as "The Wild Ones."

## THE 1963 SAGA STAFF

Many changes have been made in the Saga this year. As you can plainly see, it now comes in the new, improved giant economy-size. The only thing that hasn't changed is that old Saga Staff spirit. We still have that same care-free, we-own-the-world attitude; although at times we have thought we'd lose our sanity. (Who knows? Maybe we did lose it.)

But to a more serious note. Your Saga contains memories of a year at Woodward. We on the Staff have done our best to record those memories for you. If, when you look at this book years from now; if, when you read the signatures of your former classmates, you think fondly of your high school days, our efforts will have been rewarded.

"Sure it's easy to make Bathtub Gin," say Mara "Bubbles" Velme, Senior Editor, and her assistant, Judy Youngman.

The Lineup: Connie Beckwith, Assistant Editor-in-Chief; Pam Henline, Junior Editor; and her assistant Sue Grzywinski.

Another one of the many visitors to the Saga Office.

For some strange reason, our Underclassmen Editor, Lou Ann Baker, trusts her assistant, Pam Nichols.

Several staff members take time out from their busy schedules.

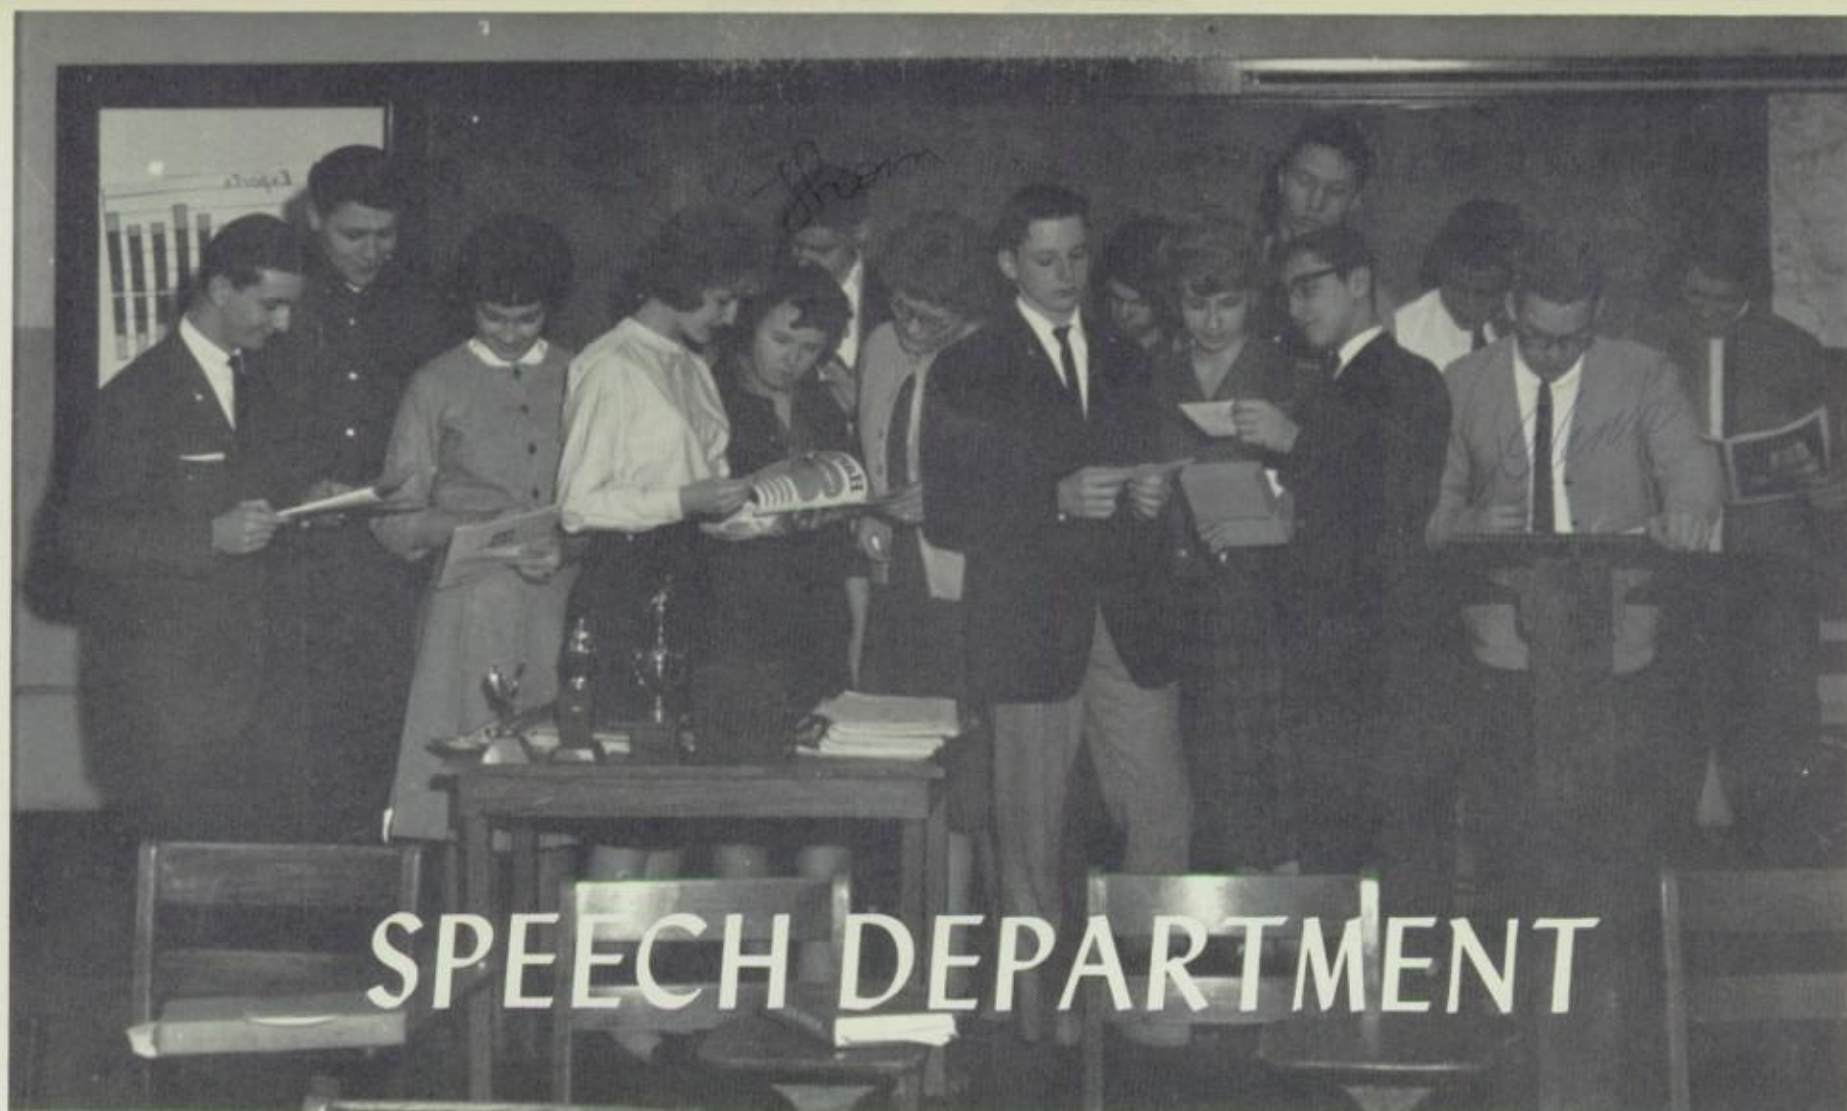

Assistant Photographers: Steve McLin takes time out for a drink while Jack Coon looks over their loot.

Mr. Robie and Mrs. Williamson discuss one of the Saga's many problems.

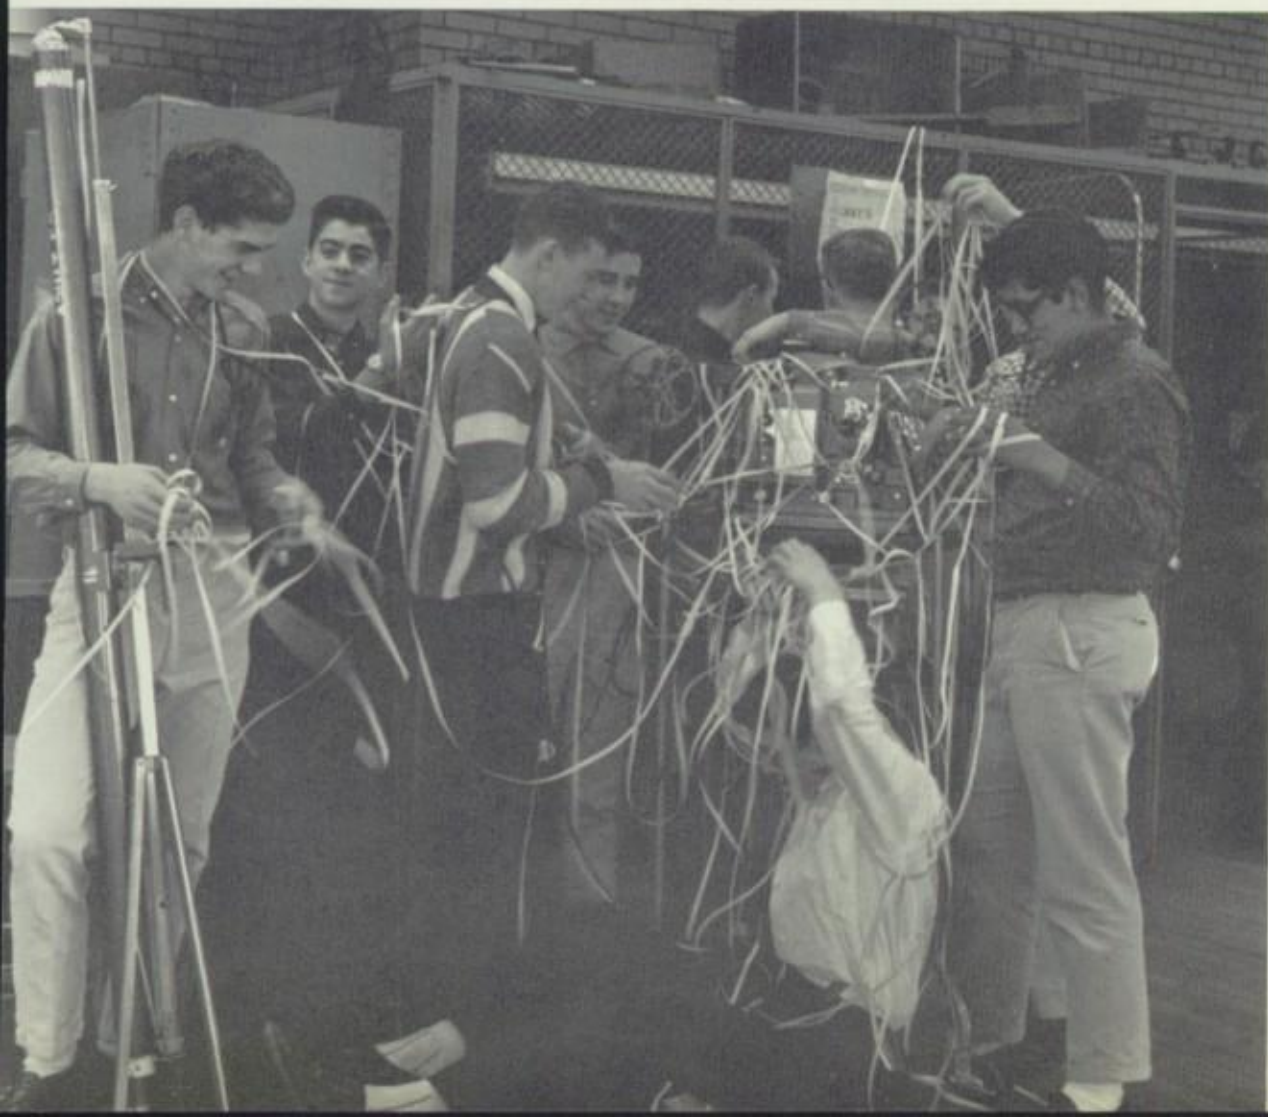

## SPEECH DEPARTMENT

Many students are unaware of the activities of the Speech Department. These young ladies and gentlemen compete in speech and debate contests and bring back trophies as well as honor to our school. These people deserve hearty congratulations for the time and energy they have exerted.

## PROJECTIONISTS

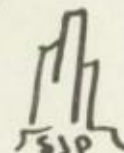

The projectionists, otherwise known as Whorley's Raiders, seldom get credit for their work. Let the Saga Staff correct that situation. These hard-working but little-known boys are responsible for the operation of most of the school's electronic equipment. Our thanks to them.

These boys really get wrapped up in their work. From left to right: Ron Crane, Moneer Dahar, Jim Dimmer, Doug Wherry, Joe Esterly, Fred Adams, Bob Hayes, Roy Pompa, and on the floor, Dwight Mag.

The hard work, energy, and imagination of the staff combine to make this newspaper one of Woodward's greatest assets. The people on these pages, under the guidance of Mrs. Marie Ersig, provide us each week with the latest news and bits of humor. The entire staff deserves our thanks and our congratulations for a job well done.

### HOMEcoming 1963

A capacity crowd of loyal Woodward fans braved the biting wind and bitter cold to attend the Ninth Annual Homecoming Game. Although we lost to Central, the State Champions, the half-time ceremonies, presided over by these lovely young ladies, proved to be the fitting climax to a colorful Homecoming.

# THE WOODWARD BAND

Under the brilliant direction of Mr. Samuel Szor, Woodward's band has once again proved itself the best in the city. What would a mass meeting be without the band? What would football games be without such extraordinary half-time shows as "The Drum Show" or "Camelot"? How could our Extravaganza, "The Music Man," have been possible without these people? And who hasn't tapped his feet or clapped his hands when our band played? In the quality and polish of its performances, the band has never once disappointed us. Because of Mr. Szor and his fine musicians, every Woodward student can say with pride, "That's **our** band!"

Songs must have been created to be sung by Woodward's Choraliers. Directed by Mr. Edgar Sorton, the Choraliers have performed a great variety of songs, ranging from the lilt of "Jingle Bells" to the majesty of "The Lord's Prayer." This group exhibited its fine voices this year at the annual Christmas and Easter programs. Surely Woodward can be proud of these "masters of melody."

# JR.-SR. PLAY

Madame Muskat, owner of the carousel.

Lilliom almost comes to blows with the constable.

The robbery is thwarted as the paymaster captures Fiscur.

Lilliom, directed by Mrs. Donovan and her student teacher, Miss Peksa, was the first dramatic production of the year. Assisting at the business end was Mrs. Hayes.

Students who are theatrically inclined welcome a production such as this to display their talent. The play was delightful and was enjoyed by all who worked on it or who saw its presentation.

Policemen confer after Lilliom commits suicide.

Lilliom is sarcastic to Madame Muskat for his being discharged.

Julie meets Wolf, Marie's fiance.

Left to right: Miss Peksa, Mrs. Donovan, Mrs. Hayes

Kathy, it has been nice knowing you. No you got the lead in next years play, your good enough for it. May God bless and keep you always.

## "CURSE YOU, JACK DALTON"

Once again the men of Woodward's faculty displayed their versatility as they entertained and delighted students with their production of "Curse You, Jack Dalton." This "tense melodrama" was one of the most hilarious plays Woodward has ever had the pleasure of seeing. It just goes to show that teachers like to get into the act too.

"How dare you come to school loaded?"

"Mrs." Rogolski and "Miss" Siegle. "Off with her head!" (Whop! ... Clunk!)

# STUDENT COUNCIL QUEEN

Woodward's candidate this year for the title of Toledo Area Student Council Queen was Mara Velme. She represented Woodward at the Queen's Tea and at the Area Dance, "Enchanted Is the Night." Mara is one of those girls with the rare combination of intelligence, sparkling personality, and loveliness. Her graciousness and charm are certainly an asset to Woodward High School.

Mara is crowned by Lex Youngman, Student Council President.
